

Pump Track Survey Results

151 responses were received to the survey, of those surveyed 147 provided their location and they make up a total of 396 people in households.

Do you live in Walkerburn?

If yes, which area of Walkerburn do you live?

If no, which area do you live in?

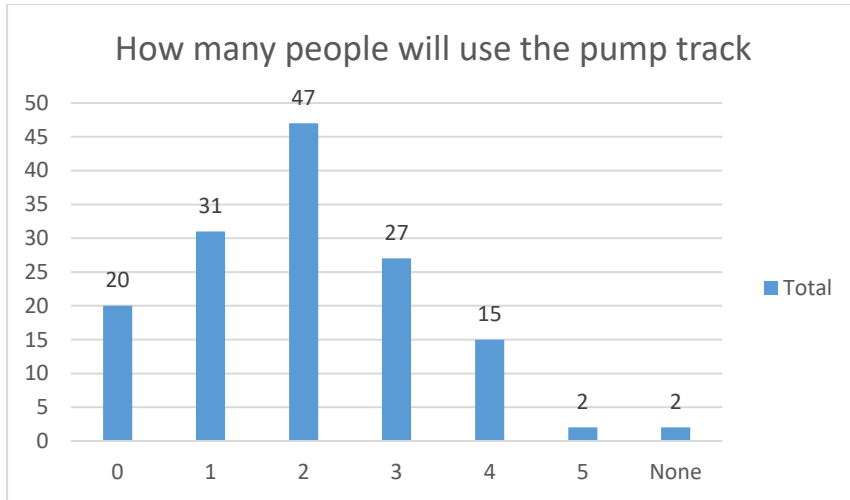

How many people live in your household?

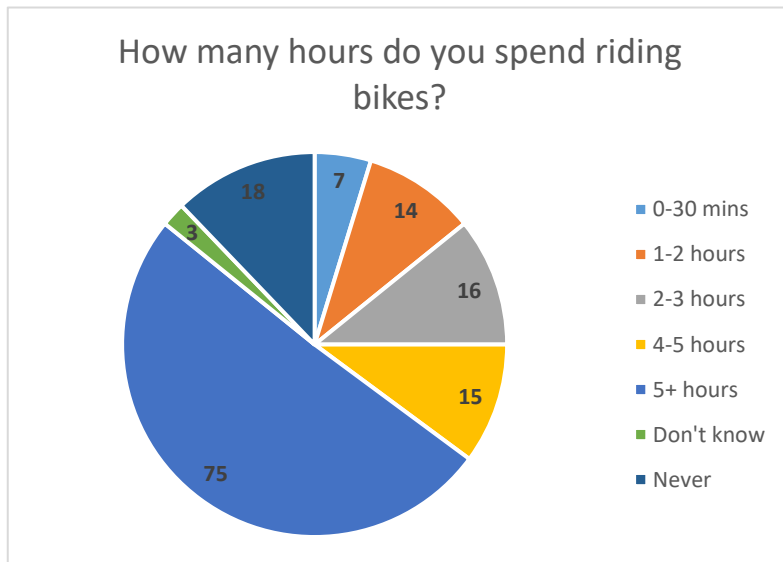

Please select which age groups live in your household?

How many people in your household would be likely to use the pump track?

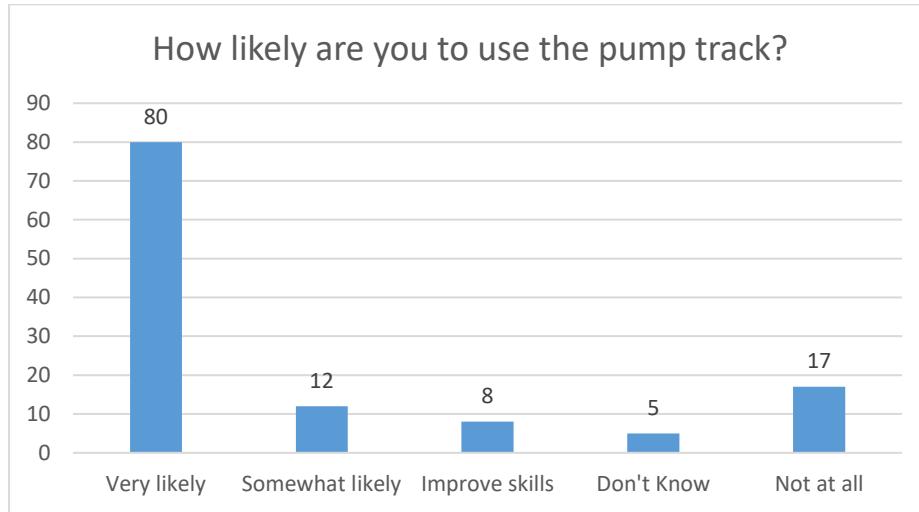

How many hours (collectively do you all spend) riding bikes each week?

Do you own or have access to any of the following?

Assuming the pump track gets built - along with the other improvements being discussed - how likely would you or anyone in your household be to use the area?

Do you have any comments on the proposals for the pump track in this location & what other sports or activities would you like to see alongside this?

The issues noted below were raised by more than one person and have been grouped into general themes that came out.

Positives Raised:

- Brilliant idea for the village and the children
- People stay and use the café more
- Walkerburn has a lot of potential
- Give talented kids more facilities and more opportunities
- Ideal opportunity for local community to develop and thrive in the future
- Wonderful to have mountain biking infrastructure
- Good for kids mental & physical health and wellbeing
- Bring people of all ages together
- Kids learn skills from other bikers
- Be excellent for regenerating Walkerburn
- Shop will get more use
- Make Walkerburn a good place to end your bike ride
- Great for building skills and techniques
- Very little for kids to do so this be a bonus
- Anything to get kids outdoors is a winner
- Cheap for people to use
- Incredible to have something like this in the local community
- Provide social, entertainment, exercise and learning of skills for kids and adults
- Very impressed with the pump track and think it would be an excellent facility for children of the village
- Hugely beneficial to the whole village, young and old. Future champions and fitness for all. Please can this happen
- A par would be great, make it a little activity zone. A café truck at certain times could make it a nice destination and encourage people to spend the day
- Location is perfect, in a par where kids already congregate to play so locals are already used to activities in that area

Concerns Raised:

- Area prone to flooding
- Access to garages affected by track users
- Parking in vicinity of track, road is rough and narrow
- Garages used by businesses not safe for children
- Access along Tweedholme Ave hard to navigate
- Should not be built over a football pitch
- Be an eyesore/subject to vandalism
- Ongoing maintenance
- Noise disturbance
- Plans look too small
- Not sure of location
- Area used for football
- Over run with people

Additional Options/Ideas:

- Ball games alongside/multi use courts
- If track tarmac can be multi use for long boards, skate boards and roller skates
- More extensive park/additional facilities for current park
- 360 CCTV
- Bike wash help to attract more riders
- Ask Dirt School to do video
- Basketball Hoops
- Bike storage/rest area
- Additional parking/van stays help pull visitors in
- E-bike charging
