Dr Sallie Bailey
Regional Manager, Forestry and Land Scotland
South Region
Ae Village
Dumfries
DG1 1QB

3rd April 2020

Dear Dr Bailey,

WEST BOLD LAND MANAGEMENT PLAN

I attach the comments of Walkerburn and District Community Council to the Proposed West Bold Land Management Plan dated 26 Feb 20.

Although the design brief and concept plan are online, many people in this area do not have internet access. This made the proposed public meeting in April of particular importance. It is simply not possible in the present circumstances for there to be an open and fair public consultation. We ask for your assurance, therefore, that no action to implement the proposed plan will be taken until a public consultation meeting can be arranged in the village.

Yours sincerely,

Peter Waller
