

Notice of Public Exhibition: Scawd Law wind farm

Scawd Law wind farm invite members of the public and interested stakeholders to attend virtual public exhibitions that will illustrate the proposed 12 turbine wind farm, which is located to the north-east of Innerleithen and approximately 3 km to the east of the B709 and some 4 km north of the A72.

In normal circumstances, we would engage with communities face-to-face through public drop in exhibitions; however, given the current social distancing restrictions, this is not possible. Therefore, we have prepared the consultation material to replicate a village hall experience.

The consultations will be held on:

Date: Tuesday 12th January 2021
Time: Live chat between 17:00 - 19:00

.....

Date: Wednesday 13th January 2021
Time: Live chat between 17:00 - 19:00

.....

This information will remain accessible online from Tuesday 12th January until submission of the application in spring 2021.

You can access the virtual exhibition through the below link from Tuesday 12th January:
